

PFI/PPP Projects

CONSTRUCTION

JLT has extensive PFI/PPP experience, having acted for over 250 closed projects, both transactional and advisory.

We have a dedicated team who specifically cater to the needs of our PFI/PPP clients. The team has extensive knowledge of PFI/PPP transactions during the bidding, construction and operational phases of projects.

We also have a dedicated financiers' due diligence team.

PFI/PPP team

The PFI/PPP team was established in 1995 to provide insurance and risk management services to the construction and facilities management sectors, authorities and financiers.

The PFI/PPP team is now 24 strong and covers construction, operational and due diligence disciplines. The team is supported by the broking, claims and administrative units while working alongside the specialist industry sector groups, including our Marine, Power and Aviation colleagues, to ensure that our clients always receive the specialist advice required to mirror their individual transaction requirements.

JLT will ensure that your bid or operational project will be provided with an extensive risk management and insurance service based on:

- a detailed understanding of the PFI/PPP sector and your needs
- a hand-picked, dedicated team of experienced people
- experience of a wide variety of projects
- pro-active service
- the negotiating strength that comes from a high quality client base and over 250 projects at close
- a commitment to excellence and quality.

Services to clients

JLT provides the following services to clients on major projects:

- consultant services, advising on placement, pricing and extent of cover
- specialist advice on contract conditions and contractual requirements to facilitate insurance placing
- risk assessment/allocation and insurability
- an unparalleled claims team all co-located in the same London office as the rest of our personnel.

We believe that we have a unique set of abilities within our team that will deliver the best risk solution to your project.

Our expertise will provide you with vast knowledge on this subject and our claims team will provide a seamless claims management system, including insurers and loss adjusters.

In light of our wide-ranging experience, we would welcome the opportunity to work with you on your future PFI/PPP projects.
