

Offering you expertise in tunnelling insurance

CONSTRUCTION

JLT is the largest UK Construction risks broking firm, providing the strength and depth of skills from both the insurance and construction industries.

JLT is the market leader when it comes to risk management and insurance placement for tunnelling projects. Projects that we have provided insurance services to include:

- Taiwan High Speed Rail Link
- Singapore Metro
- Jubilee Line
- Malmö Citytunnel Rail Link
- Copenhagen Metro
- Deep Tunnel Sewerage System, Singapore
- Øresund Fixed Link, Denmark/Sweden
- Bangkok MRTA North & South Lines
- Western Harbour Crossing.

Members of our team are industry experts on tunnelling and have had involvement on infrastructure and power projects in 38 countries on all continents. Our team have published articles and presented papers on construction insurance to international conferences and universities, including “Tunnelling Risk and Insurance” to the Rapid Transit Conference Singapore in 2003. JLT made a formal submission to the draft Tunnelling Code of Practice and contributed to the final version.

Our team of experts will work with you from the beginning of your project to ensure that all risks are taken into account.
